DRAGONS

DRAGONS Toyota Cup players Clifford Morris and Shannon Wakeman and community staff recently attended the Macarthur Disability Services rugby league fun day to share some skills with 100 enthusiastic participants of varying disabilities.

Held at the Alive Indoor Sports Centre at Narellan, the players showed participants how to pass the ball and other skills involved in league. A great day was had by all and the Dragons were thrilled to be involved in such a positive day.

EELS

THE Eels threw their weight behind Starlight Day last Friday, holding a fund-raising barbecue in Parramatta's Church Street Mall while also selling Starlight Day merchandise at their game against the Cowboys.

Eels players including Krisnan Inu, Anthony Mitchell, Taulima Tautai, Brendan Oake, Cal Richardson, Tim Robinson, Marty Lewis, Albert Kelly and Jonathan Wright raised the much-needed funds to provide love, laughter and support to seriously ill children and their families at a host of events over the course of the weekend.

BULLDOGS

THE Dogs joined Camp Quality in celebrating World Laughter Day by hosting a 'Laughter Class' for the entire ANZ Stadium before kick-off at last Sunday's game against the Wests Tigers.

Bulldogs players, chief executive Todd Greenberg and Camp Quality CEO Simon Rountree were joined on-field by families from Camp Quality, cheerleaders, Dogs board members, NRL chief executive David Gallop and Mario Fenech to encourage more than 25,000 fans to join in the laughter session.

Ben Hannant, one of the keenest supporters of the Bulldogs' partnership with Camp Quality, encouraged fans from both teams to join in World Laughter Day activities and enjoy some fun therapy.

"I think we're all still benefiting from the laughter class held for the team earlier in the year," Hannant said. "It was just a good, fun day and I'm now really aware of trying to apply Camp Quality's messages of positivity and optimism to my footy and to life away from the field as well."
