

Anything for a laugh

GRAHAM SHAW, principal of Canberra district winery Shaw Vineyard Estate, gets in the swing of the "laughter class" at Regatta Point that launched the winery's new, single-vineyard, premium cool-climate wines.

Called the Laughter Series, the wines were created to help Camp Quality – Australia's leading raiser of funds and laughter for kids with cancer. From every case of the Laughter Series sold, \$50 will be donated directly to the local branch of Camp Quality. The Murrumbateman winery, a Camp Quality supporter for more than 17 years, will be aiming to produce 10,000 cases of the new wines, raising a potential \$500,000 for families and children affected by cancer.
